SUMMARY

Motivated and dedicated IT individual with a strong passion for technology and a drive for continuous learning. Passionate about my work and know how to get the job done. I take up all learning opportunities that enhance my skills and know how to cope up with failures. Looking to start my career as an entry-level frontend developer and gain practical experience in a professional environment and contribute to the success of an organization in IT field.

EDUCATION

BSc (Hons) Computer Systems Engineering (BSc. IT)

ISMT College / Kathmandu / July, 2018 - November, 2022
This curriculum at ISMT is delivered through BTEC HND and from the University of Sunderland, UK.

+2 (Physics)

Liverpool Int'l College / Kathmandu / March, 2017 - April, 2018

School Level Certificate (SLC)

Nexus Int'l Academy (NIA) / Kathmandu / January, 2011 - December, 2016

TRAINING/CERTIFICATIONS

Full Stack Development with MERN

Vrit Technologies , 2023
Using this stack, built different projects including Airbnb clone with basic features as a final project that provides a complete end-to-end solution for building web applications with JavaScript-based technologies.
